BULLY NO MORE is a fun and instructional multimedia assembly broadcast live via zoom or any online meeting platform. This interactive presentation teaches children on what to do if they are a bully target, a witness to bullying, and we even address those who are doing the bullying, too.

From our colorful TV studio, the Game Showsters host will quiz & review your students on all the important lessons regarding bullying, which include:

- What bullying is ... and isn't!
- Being supportive to those who need help.
- The right and wrong ways of standing up to bullying.
- Including, not excluding, others in groups and activities.
- Always talking to a trusted adult about bullying incidents.
- The Golden Rule and empathy.
- Cyberbullying
- Plus a whole lot more ...

BULLY NO MORE is performed live for your students and includes a complimentary recording for your school.
